The best compliment that our office can receive from another Realtor is a referral! We take great pride in delivering outstanding customer service to both our tenants and owners and want to deliver those same results to your clients now. We are always happy to work with Realtors and will do our best to take care of your client.

At Advantage Gold Realty, relationships are everything to us. We understand the value of protecting your client network and would never jeopardize the hard work you invested to win their business in the first place. That is why we developed our agent referral program.

CLIENT INFORMATION

Name of Client:		Date:	
Property Address:		Phone:	
Email Address:		Phone:	

Any Additional Information that you can provide about property:

- **Referral Fees** – Real Estate Brokers will receive a 10% referral fee based on the first month’s rent for each property referred to Advantage Gold Realty. The Referral Fee will be paid once the homeowner signs the management agreement and the property rents.
- **Future Sales are Protected** – When a property is referred, the real estate agent’s information is linked to the property to ensure it is referred back when the home is again for sale.
- **More Listings** – Since Advantage Gold Realty doesn’t sell properties, it needs strong partners to send listings when our clients decide to sell. The more you refer to us the more we refer to you.
