

Homeowner Transfer of Privileges to Lessee

I/We wish to transfer the privilege to use the Carolina Forest Community Pool and Clubhouse to my/our lessee (s) for the **2025** pool season.

AGREEMENT

I/We understand that although I/We personally relinquished our privileges to the Carolina Forest Community Association pool and clubhouse, this does not in any way release me/us as members of the Carolina Forest Community Service Association of the obligation to pay all required assessments and abide by the Carolina Forest Restrictive Covenants and Architectural Control Committee guidelines.

It is further understood that Pool Rules and Regulations of the Association are to be obeyed in addition to the Community Clubhouse Rental Rules. Non compliancy may result in the suspension of both amenity uses.

I/We certify that all persons listed on the Pool Registration Form are residents of the below address.
