Architectural Review Application Instructions and Checklist

Some necessary regulations have been incorporated into the Association's Covenants, Conditions, and Restrictions (CC&R's) to protect the harmony and tranquility of the community. In addition, these rules help maintain the curb appeal, which helps to enhance property values. As a member, it will be your obligation to comply with all the documents for your community.

The Architectural Review Committee (ARC) must approve any exterior improvements (including back yard renovations and satellite dishes), prior to commencement of work.

- ☐ **Application:** Please complete the attached application.
- ☐ **Description of the project(s):** This will need to include a complete description of the materials to be used and the finished dimensions. Also include a color description and sample if your project includes painting/staining.
- ☐ **Plot Plan (see example below):** This will need to include but is not limited to, location of project(s), dimensions, distances in conjunction with other items on the Lot, Easements and setbacks from the Lot line.
- ☐ **Acknowledgement of Awareness by Neighbors:** This will need to be submitted with your application.
- ☐ **Submit:** You can mail or email the completed application along with any additional items. **Before Submitting your application please read your Covenants as this can save you time and money. Covenants can be found on our website at www.advantagegoldrealty.com**

Architectural Review Application

Please submit this application to the Management Company 45 days prior to beginning your project. The Architectural Review Committee/Board of Directors will do all it can to have your application reviewed in a timely manner so as not to impede the timely completion of your project.

Date Submitted: _____

Note that all construction and installation of any improvements shall comply with local, state, and federal building and land use regulations. Compliance with these regulations is the responsibility of the homeowner. This review and approval is not a review, nor an approval for compliance with any local, state, or federal building or land use regulations. Building, Electrical, and/or Plumbing permits may be required. The determination of the necessity of any permits is the responsibility of the homeowner. Obtaining any necessary permits is also the responsibility of the homeowner.

Changes to the proposed plan necessitated by permits or compliance with local, state or federal building or land use laws are subject to additional review by the Architectural Review Committee.

I agree that no work on this request shall commence until written approval from the Architectural Review Committee has been received by me. I understand that I am required to notify the Architectural Review Committee when the requested modification is completed and submit to an inspection of the modification when complete. I also understand that I am responsible for complying with all local, state and federal Regulations and obtaining the proper permits required by these agencies.
