Each building, wall, fence or other structure or improvements of any nature, together with any ornamentation or landscaping, shall be erected, placed or altered upon the premises only in accordance with the plans and specifications and plot plan so approved. Refusal of approval of plans, specifications and plot plans, or any of them, may be based on any ground, including purely aesthetic grounds, which in the sole and uncontrolled discretion of said Architectural Control Committee deem sufficient.

The Architectural Control Committee shall have the power to promulgate such rules and regulations as it deems necessary to carry out the provisions and intent of this paragraph.

Section 2. Within thirty (30) days after receipt of all required information, the Architectural Control Committee shall submit in writing to the owner of the lot a response stating whether or not the requested improvements are approved. A request for additional information shall be deemed a determination that the information submitted was inadequate and the thirty (30) day time period for response shall only commence upon the receipt of the requested additional information. Conditional approvals may be granted and if approval with conditions is granted and thereafter construction begins, the construction shall be deemed approved by the owner of the lot of the conditions imposed.

Section 3. Refusal of approval of plans, specifications and plot plans or any of them may be based upon any ground, including purely aesthetic grounds, which in the sole and uncontrolled discretion of the Architectural Control Committee shall deem sufficient. (d) That the natural features of the lot have been retained to the maximum extent possible.

Section 4. The paint, coating, stain and other exterior finishing colors on all buildings may be maintained as that originally installed, without prior approval of the Architectural Control Committee, but prior approval by the Architectural Control Committee shall be necessary before any such exterior finishing color is changed.

The Declarant may assign its powers hereunder to an Architectural Control Committee, but so long as Declarant Control shall exist, the Declarant shall appoint a majority of the Architectural Control Committee. Thereafter, all representatives shall be appointed by the Board of Directors of the Association. In the event of the dissolution of Declarant or the failure of Declarant to specifically assign the rights, privileges, powers and authority hereunder prior to the sale of the last numbered lot to the homeowners association or an Architectural Control Committee, or in the event the association has not been formed, then any owner may provide notice to each owner by registered mail of a meeting to be held not less than 30 days thereafter, where the owners may elect, by a majority vote of those present and a quorum having been obtained, an Architectural Control Committee. The said committee shall be composed of three (3) owners and who shall serve until the next meeting. At any time after the initial meeting, the individual owners of record of three (3) lots may call a meeting to be held after 30 days notice by registered mail to all of the other said lot owners of record, and may elect a new Architectural Control Committee, fill any vacancies on the Architectural Control Committee, or remove the members of the existing Architectural Control Committee. A quorum for any meeting of individual lot owners shall be the owners of at least ten percent (10%) of the lots in the subdivision known as the subject property.

Section 6. A majority of the Architectural Control Committee may take any action said Committee is empowered to take, may designate a representative to act for the Architectural Control Committee, and may employ personnel and consultants to act for it. In the event of death, disability or resignation of any member of the Architectural Control Committee, the remaining members shall have full authority to designate a successor. The members of the Architectural Control Committee

shall not be entitled to any compensation for services performed pursuant to this covenant. The Architectural Control Committee may establish a fee to cover the expense of reviewing plans and related data at the time plans are submitted for review in order to compensate any consulting architects, landscape architects, urban designers or attorneys.

Section 7. Any Owner may appeal the decision of the Architectural Control Committee provided that all parties involved comply with the decision of the Architectural Control Committee until such time, if any, as the Board of Directors amends, or reverses the Architectural Control Committee's decision. Appeals petitions must be legibly written, state the grounds for appeal and be submitted to the Board of Directors within thirty (30) days of the decision of the Architectural Control Committee. The Board of Directors shall act upon the appeal by amending, reversing or confirming the decision of the Architectural Control Committee within thirty (30) days of receipt of the petition. The Board of Directors' decision shall be by majority vote. Any owner must exhaust this avenue of appeal prior to resorting to a court of law or equity for relief.

Section 8. Submissions for approval may be made to the Architectural Control Committee c/o the Association to any of the following:

- (c) at such address as may be provided in writing (on the letterhead of the Association and signed by the managing agent or officer of the Association) to the applicant upon request for instructions regarding submission.

The Association shall have the right to assess any owner for such damage and such charge shall be an assessment against the owner and the Lot and shall be subject to collection as any other regular assessment.

Section 9. Any requirement for mail service or notice shall be complied with by mailing said notice to the address shown on the county tax records for the respective lot owner.

7. ASSESSMENTS:

Section 1. Purpose of Assessments: The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in the Properties and for the improvements and maintenance, current and capital, of the Common Area, and specifically any storm water control or disposal improvements, and any roads or streets which are or may become property of the Association.

Section 2. Creation of the Lien and Personal Obligations of Assessment: All expenses of the association shall be, and for purposes of assessments, the common expense liability shall be assessed against the lots are to be allocated equally among all lots. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed, therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (a) annual assessments;
- (b) special assessments;
- (c) to the appropriate governmental taxing authority, a pro rata share of ad valorem taxes levied against the Common Area if the Association shall default in the payment therefor for a period of six (6) months, all as hereinafter provided.

The annual and special assessments, together with interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest and costs, and reasonable attorneys' fees (as provided in North Carolina General Statutes §6-21.2) incurred by the Association in collecting delinquent assessments shall also be the personal obligation of the person or entity who was the Owner at the time when the assessment became due.

Section 2.1. Registration Fee: In addition to any other fee, charge, assessment or payment which may be due to the Association, the Association shall charge a fee to offset the administrative costs of initial owner documentation and a transfer of ownership information. The Board may modify the fee to offset actual or anticipated costs associated with the transfer or documentation.

Section 3. Determination of Amount of Assessment:

- (a) The initial minimum annual assessment shall be \$325.00 per year per lot for the 2011 and 2012 calendar years. The subsequent year assessments will be based upon a budget determined in part by the operating costs and reserve requirements of anticipated amenities which will become part of the common area of the subdivision and as such the initial minimum assessment does not represent subsequent year assessments to which each lot shall be subject. Assessments shall commence as to each lot beginning on the date of closing from the Declarant to an owner other than the Declarant. So long as Declarant Control exists, the Declarant shall pay no assessments but shall be responsible for any deficit in the operating budget.

Notwithstanding anything to the contrary contained in these Restrictions or amendments thereto, a purchaser who or which shall purchase a lot for the purpose of the construction of a residence for sale in the ordinary course of said purchaser's business shall pay no assessment until the subsequent resale to a purchaser for the use as a residence.

- (b) Except as otherwise required by statute, within thirty (30) days after adoption of any proposed budget for the planned community, the executive board shall provide to all the lot owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The executive board shall

set a date for a meeting of the lot owners to consider ratification of the budget, such meeting to be held not less than ten (10) nor more than sixty (60) days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at that meeting a majority of all the lot owners in the association or any larger vote specified in the declaration rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the lot owners shall be continued until such time as the lot owners ratify a subsequent budget proposed by the executive board.

(c) The due dates shall be established by the Board of Directors of the Association and the Board of Directors shall have the authority to require the assessment to be paid in pro-rata monthly installments, quarterly and semi-annually as well as annually. The Association shall, upon demand, and for a reasonable charge furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified lot have been paid.

Section 4. Collection of Assessments: The first pro rata payment of the balance of the current year assessment shall be due and payable beginning on the day of closing. In addition thereto, at closing, the Declarant shall cause to be collected from the purchaser, the initial "set up" or documentation fee, and an amount equal to two-twelfths of the then current minimum annual assessment for said lot. This shall be used for the sole purpose and use as a working capital fund.

Section 5. Assessment Change: Should the Board of Directors at any time determine, in its sole discretion, that the assessments levied are or may provide to be insufficient to pay the costs of operation and management of the Association, or in the event of emergencies, the Board of Directors shall have the authority to modify existing assessments and levy such additional assessments as it may deem necessary.

Section 6. Remedies for Non-Payment of Assessments: Any assessment which are not paid when due shall be delinquent. The assessment shall bear interest from the due date at the rate established by the Board of Directors of the Association, or if not set by the Board, at the highest rate allowed by law, together with such late fees as may be set by the Board. The Association shall file a lien of record against any lot where there remains an assessment unpaid for a period of thirty (30) days or longer. Said lien shall be filed in the office of the clerk of superior court of Onslow County in a manner provided therefor by the North Carolina General Statutes. No Owner may waive or otherwise escape liability for the assessments provided for herein by the non-use of the Common Area or abandonment of his dwelling unit or site.

The Association may bring an action at law against the Owner personally obligated to pay any assessments and interest. Costs and reasonable attorneys' fees for the prosecution of any such action shall be added to the amount of such assessment. In the event of such action at law and in the further event that such action results in a judgment being entered against the Owner and in favor of the Association, then, and in that event, the Association shall collect on such judgment in such manner and to the extent provided and permitted by the laws of the State of North Carolina.

The Association's lien may be foreclosed in like manner as a mortgage on real estate under power of sale pursuant to the North Carolina General Statutes. All fees, charges, late charges, fines, and interest are enforceable as assessments.

In any foreclosure action brought under the power of sale provisions, the Association shall be deemed to be the holder and owner of the obligation secured by this Declaration. The Registered Agent of the Association shall be the Trustee for all purposes of the foreclosure proceeding and the Association shall have the power to appoint a substitute trustee if for any reason the Association desires to replace the trustee, and the said substitute trustee shall succeed to all rights, powers and duties thereof. The Association shall request of the trustee to sell the land subject to the lien at public action for cash, after having first given such notice and advertising the time and place of such sale in such manner as may then be provided by law for mortgages and deeds of trust, and upon such and resales and upon compliance with the law then relating to foreclosure proceedings under power of sale to convey to the purchaser in as full and ample manner as authorized by Law. The Trustee shall be authorized to retain an attorney to represent him in such proceedings. The proceeds of the Sale shall, after the Trustee retains his commission, together with any addition attorney's fees incurred by the Trustee, be applied to the costs of the sale, including but no limited to costs of collection, taxes assessment, costs of recording, service fees, and incidental expenditures, the amount due on any note secured by the property, and any advancements made by the Association in the protection of the security.

Section 7. Effect of Default in Payment of Ad Valorem Taxes of Assessments for Public Improvement by Association: Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Area or assessments for public improvements to the Common Area, which default shall continue for a period of six (6) months, each owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty(30) days following receipt of notice of the amount due, then such sum shall become a continuing lien subject to the lien of the governmental authority levying said ad valorem taxes on the Lot of the then owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the owner.

Section 8. Subordination of the Lien to Mortgages: The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage. Sale or transfer of any Lot shall not affect the assessment line. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

8. GENERAL RESTRICTIONS: [Applicable to all properties except as set out in an Amendment to Master Declaration which may add property to the Project Area, or as otherwise amended hereafter.]

Section 1. Residential Use (SF): All lots shall be used exclusively for residential purposes of a single family (which may be part of a multi unit building and which may include separate living quarters for one or more members of the owners' family or relative), except that any lot may be used by the Declarant for a street or roadway. No business, trade, garage sale, moving sale, rummage sale, or similar activity shall be conducted upon a lot without the prior written consent of the Board.

This covenant is to run with the land, and shall be binding on the Owner, and all parties claiming under it.

14. RIGHTS OF MORTGAGEES: A holder or insurer of a mortgage, upon written request to the Association (such request to state the name and address of such holder or insurer and the description of secured properties) will be entitled to timely written notice of:

Section 1. Any condemnation or casualty loss that affects either a material portion of the project or the Lot securing its mortgage.

Section 2. Any sixty (60) day delinquency in the payment of assessments or charges owed by the Owner of any Lot upon which it holds a mortgage.

Section 3. A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association.

Section 4. Any proposed amendment to the project instruments effecting a change in the boundaries of any Lot, ownership of Common Elements, if any, the number of votes in the Association pertaining to any Lot or any proposed change in the restrictions on the properties.

15. INSURANCE (ME):

Section 1. Common Areas: The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, for all insurable improvements on the Common Area. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount sufficient to cover one hundred percent (100%) of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

The Board shall also obtain a public liability policy covering the Common Area, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its members or agents. The public liability policy shall have at least a One Million and no/1 00 (\$1,000,000.00) Dollar single person limit as respects bodily injury and property damage, a Three Million and no/100 (\$3,000,000.00) Dollar limit per occurrence, and a Five Hundred Thousand and no/100 (\$500,000.00) Dollar minimum property damage limit.

Premiums for all insurance on the Common Area shall be common expenses of the Association. This policy may contain a reasonable deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost. The deductible shall be paid by the party who would be responsible for the repair in the absence of insurance and in the event of multiple parties shall be allocated in relation to the amount each party's loss bears to the total. Cost of insurance coverage obtained by the Association for the Common Area shall be included in the regular assessment.

Section 2. Individual Multi Family Units (Townhomes/Condominiums): By virtue of taking title to a Lot subject to the terms of this Declaration, each owner covenants and agrees with all other Owners and with the Association that each Owner shall carry homeowners or fire insurance policy which shall include public liability and blanket all-risk casualty insurance on his Unit(s) and structures constructed thereon. Owner shall provide a copy of the Declaration page of the policy to Association at such time(s) as the Association may direct. Each Owner further covenants and agrees that in the event of a partial loss or damage and destruction resulting in less than total destruction of structures situate upon his Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction. In the event that the structure is totally destroyed, Owner shall elect whether to rebuild within sixty (60) days of the loss. If Owner determines not to rebuild or to reconstruct, the Owner shall clear the Lot of all debris within ninety (90) days of loss and return it to substantially the natural state in which it existed prior to the beginning of construction. If Owner fails to so clear the Lot within ninety (90) days of the loss, the Declarant or Association may do so and the cost shall be assessed against the Owner of the Lot.

16. AMENDMENT:

Section 1. Declarant may amend this Declaration in accordance with this Declaration to add additional property to this Declaration.

Section 2. These restrictions are subject to being altered, modified, canceled or changed at anytime as to said subdivision as a whole or as to any subdivided lot or part there by written document executed by Declarant or their successors in title and by the owner of not less than fifty-one percent (51%) of the subdivided lots or parts of said subdivision to which these restrictions apply, and recorded in the office of the Register of Deeds of the County in which this Declaration is recorded.

Section 3. The Declarant, without the consent or approval of any other Owner, shall have the right to amend this Declaration to conform to the requirements of any law or governmental agency having legal jurisdiction over the Property or to qualify the Property or any Lots and improvements thereon for mortgage or improvement loans made by, guaranteed by, sponsored by or insured by a governmental or quasi-governmental agency or to comply with the requirements of law or regulations of any corporation or agency belonging to, sponsored by or under the substantial control of, the United States Government or the State of North Carolina, regarding purchase or sale in such lots and improvements, or mortgage interests therein, as well as any other law or regulation relating to the control of the Property, including, without limitation, ecological controls, construction standards, aesthetics and matters affecting the public health, safety and general welfare. A letter from an official of any such corporation or agency, including, without limitation, the Veterans Administration (VA), U. S. Department of Housing and Urban Development (HUD), the Federal Home Loan Mortgage Corporation, or the Federal National Mortgage Association, requiring an amendment as a condition of approval, or suggesting an amendment, shall be sufficient evidence of the approval of such amendment of VA, HUD and/or such corporation or agency and permit Declarant to amend to accord with such letter. No amendment made pursuant to this Section shall be effective until duly recorded in the Office of the Court for Onslow County, North Carolina.

Section 4. Modification of Stormwater Provisions: Any of the provisions relating to Stormwater or other Environmental Restrictions may be modified or terminated to comply with stormwater rules now or hereafter adopted by the State of North Carolina by an instrument in writing executed by Declarant, its successors and assigns, without joinder of any other party or owner.

Section 5. Amendments Proposed by Association. An amendment or amendments to this Declaration may be proposed by the Board of Directors of the Association acting upon a vote of a majority of the Directors, or by the members of the Association owning a majority of the Lots, whether meeting as members or by instrument in writing signed by them. Upon any amendment or amendments to this Declaration being proposed by said Board of Directors or members, such proposed amendment or amendments shall be transmitted to the President of the Association, or other officer of the Association in the absence of the President, who shall thereupon call a Special Meeting of the members of the Association for a date not later than sixty (60) days from receipt by him of the proposed amendment or amendments. It shall be the duty of the Secretary to give to each member written or printed notice of such Special Meeting, stating the time and place thereof, and reciting the proposed amendment or amendments in reasonably detailed form, which notice shall be mailed not less than fourteen (14) days nor more than thirty (30) days before the date set for such Special Meeting. If mailed, such notice shall be deemed to be properly given when deposited in the United States Mail addressed to the member at his Post Office address as it appears on the records of the Association, the postage thereon prepaid. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the Meeting, shall be deemed equivalent to the giving of notice to such member. At the meeting, the amendment or amendments proposed must be approved by an affirmative vote of at least sixty-seven percent (67%) of the votes in the Association which are allocated to Lot owners in the Subdivision in order for such amendment or

amendments of this Declaration to be adopted. Any such amendment or amendments as adopted shall be transcribed and certified by the President and Secretary of the Association as having been duly adopted. The original or an executed copy of such amendment or amendments, so certified and executed with the same formalities as a deed, shall be recorded in the Register of Deeds Office of Onslow County, North Carolina, such amendment or amendments to specifically refer to the recording data identifying this Declaration. Thereafter, a copy of said amendment or amendments in the form in which the same were placed of record by the officers of the Association shall be delivered to the Owners of all Lots, but delivery of a copy thereof shall not be a condition precedent to the effectiveness of such amendment or amendments. At any meeting held to consider such amendment or amendments, the written vote of any member of the Association shall be recognized if such member is not in attendance at such meeting or represented thereat by proxy, provided such written vote is delivered to the Secretary of the Association prior to such meeting or at such meeting.

Section 6. Amendments by Declarant. A Declarant may amend the Declaration as set forth herein and in the Act without the consent of any other Person or the Association to exercise Development Rights.

Section 7. Amendments Requiring Declarant Consent. During the Declarant Control, this Declaration may not be amended without the prior written consent of the Declarant. Except to the extent expressly permitted by the Act or other provisions of this Declaration (in compliance with the Act), no amendment may create or increase special Declarant Rights, create or increase Development Rights, increase the number of Lots, change the boundaries of any Lot, or change the uses to which any lot is restricted in the absence of unanimous consent of the Lot owners.

17. GENERAL PROVISIONS:

Section 1. Duration: The covenants and restrictions set forth herein shall run with and bind the Properties for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall automatically be extended for successive ten (10) year periods unless otherwise terminated by a vote of eighty per cent (80%) of the then record Owners of all Lots within the Properties.

Section 2. Severability: Invalidation of any one of the covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.
