ARTICLE XIII: ARCHITECTURAL CONTROL COMMITTEE

Section 1. In order to preserve and protect the appearance of the Properties and the value of the Lots and the residences constructed thereon, no building, wall, fence or other structure or improvement of any type shall be erected, placed or altered on any Lot until the construction plans and specifications have been approved in writing by the Architectural Control Committee. Any such improvements may be made only in accordance with the approved plans and specifications. Refusal of approval of plans and specifications may be made on any grounds, including purely aesthetic grounds, in the sole discretion of the Architectural Control Committee. Any change in the appearance of any building, wall, fence or other structure or improvements, and any change in the appearance of the landscaping (with the exception of the planting or pruning of flowers and shrubs) shall be deemed such an alteration requiring approval. The Architectural Control Committee shall have the authority to publish such rules and regulations as it deems necessary to carry out the provisions and intent of this Article.

Section 2. Within thirty (30) days after receipt of the required plans and specifications, the Architectural Control Committee shall notify the Lot Owner in writing of its approval, disapproval or approval with conditions, of the submitted plans and specifications, or that further information is required for a determination, in which case the thirty day response period shall commence only upon receipt of the requested further information. If no such response is made within the thirty (30) days, the plans and specifications shall be deemed approved as submitted.

Section 3. Until the sale of the last numbered Lot in the Properties, or of any subsequent phases or additions thereto, the Declarant, its successors or assigns shall have all of the powers and authority of the Architectural Control Committee as described herein. Upon the resignation of the Declarant, its successors or assigns from the Architectural Control Committee, such powers and authority shall pass to the Association, which may appoint three (3) Lot Owners to compose the membership of the Architectural Control Committee. In the event of the death, disability or resignation of any such Owner-member, the remaining members shall appoint a successor, to serve until the following annual meeting of the Association.

Section 4. A majority of the Architectural Control Committee may take any action the committee is empowered and authorized to take, and may employ consultants, upon approval of the Association's Board of Directors. The members of the Architectural Control Committee shall not be entitled to compensation for their services absent Board approval, but may impose a reasonable fee, to be delivered when plans and specifications are submitted, to cover the expense of any consulting fees.

ARTICLE XIV: FUTURE DEVELOPMENT

The Declarant reserves the right to annex any property now owned or hereafter acquired by the Declarant and adjoining the Property, and to subject such additional property to the restrictive covenants set forth herein, without prior approval or consent of the Lot Owners or Association.

ARTICLE XV: MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every owner of a Lot which is subject to assessment shall be a member of the association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 2. Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A members shall be all owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership at the end of the Declarant Control Period, as defined below.

ARTICLE XVI: DECLARANT CONTROL PERIOD

Until the sale of the last numbered Lot in the Property, or of any subsequent phases or additions

thereto, (the "Declarant Control Period") the Declarant, or persons designated by the Declarant, may appoint and remove the officers and members of the executive board of the Association (the "Board of Directors"), pursuant to North Carolina General Statutes Sec. 47F-3-103(d). After the end of the Declarant Control Period, the Lot Owners shall elect a Board of Directors of at least three (3) members, all of whom shall be Lot Owners, which Board shall in turn elect the officers. The directors and officers shall take office upon election, for terms of one year or until their successors are elected. After the Declarant Control Period, the Association shall have and shall succeed to all of the rights, privileges and duties of the Declarant, as if the Association had been named as Declarant herein.

ARTICLE XVII: COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Purpose of Assessments. The assessments described herein and levied by the Association or Declarant shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners and their Lots, and in particular the maintenance and upkeep of the private roadway(s) located within the development in an all-weather passable condition, and for services and facilities devoted to this purpose, including, but not limited to the maintenance, repair, replacement and additions to the roadways, entranceways with gates and signs, recreation areas, drainage ways, and for the cost of labor, equipment, materials, repairs, management and supervision thereof.

Section 2. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) Annual assessments or charges, and (2) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$100.00 per Lot.

a. From and after January 1 of the year immediately following the conveyance of the first Lot to an owner, the maximum annual assessment may be increased each year not more than twenty (20%) percent above the maximum assessment for the previous year without a vote of the membership.

b. From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above twenty (20%) percent by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

c. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days or more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast fifty (50%) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and to the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No subsequent meeting shall be held more than 60 days following the preceding meeting nor less than five (5) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and shall be collected on a regular basis. However, notwithstanding this section or any other section contained herein, Declarant shall not be obligated to pay the Uniform Assessment provided the lot is unoccupied and has not been conveyed from the Declarant.

Section 7. Date of Commencement of Annual Assessments: Due Date. The annual assessments provided for herein shall commence as to all Lots on the date of the conveyance of the Lot from Declarant to Owner. The first annual assessment shall be adjusted according to the number of days remaining in the calendar year. The first year's Association dues shall be collected at the time of the purchase from the Declarant. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve (12%) percent per annum or such other rate as the Association may determine. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. Should the Association (or Declarant) find it necessary to employ counsel to enforce any of the foregoing covenants, conditions, reservations or restrictions, all costs incurred in such enforcement, including court costs and a reasonable fee for counsel, shall be paid by the owner of such Lot or Lots against which such enforcement action is taken, and the Association (or Declarant) shall have a lien upon such Lot or Lots to secure payment of such costs.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE XVIII: COMPLIANCE, ENFORCEMENT, FINES AND PENALTIES

Section 1. Default and Remedies: A default in or failure to comply with any of the terms, conditions, obligations and provisions of the Declaration, the Bylaws, the Articles, or the rules and

regulations set forth by the Board of Directors or Architectural Control Committee, as the same may be amended from time to time, by any Lot Owner or occupant, shall be grounds for relief including, but not limited to, an action to recover fines and penalties as set forth in the Bylaws, sums due for damages, injunctive relief, or any combination thereof. If any Owner fails to perform any obligation under the Declaration, the Bylaws, the Articles or such rules and regulations, then the Association may, but is not obligated to, perform the same for the Owner's account, and for such purpose may enter upon said Owner's Lot, and may make necessary repairs, advance expenses or other sums necessary to cure the default, and may collect all such expenses and costs as an assessment against the Lot owned by such defaulting Owner. The Association shall also be entitled to suspend the voting rights, and the right to use any recreational amenities, of such defaulting Owner until such default is cured, provided that the defaulting Owner's right of ingress and egress shall not be impaired.

Section 2. Remedy of Abatement in Addition to Other Remedies: If an Owner fails to cure a default specified by the Board or Architectural Control Committee where the default is a structure, thing or condition existing in or on the Owner's Lot, the Board or its duly authorized representatives shall have the right to enter upon such Lot, and to summarily abate and remove such structure, thing or condition at the Owner's expense, and collect the costs as an assessment against such Lot, and the Board, the Association, and their agents, employees, and representatives shall not be deemed guilty of any manner of trespass in so doing.

Section 3. Fines: Any Owner who shall violate the Declaration, these Bylaws, the Articles, or the above-referenced rules and regulations, may be fined the sum of \$50.00 for each month of such violation, which fine shall be enforced and collected as an assessment. Prior to the implementation of any such fine, or the suspension of voting rights for the infraction of such rules and regulations, a hearing shall be held, pursuant to the following procedure:

(a) The Board shall send to the defaulting Owner a written notice (by first-class or electronic mail) specifying the nature of the default, the cure thereof, and the time within such cure must be effected. Within the time limit specified in the notice, the defaulting Owner may cure the default specified, or send a written notice to the Board requesting a hearing before the Board. If a hearing is so requested, the Board shall send to the defaulting Owner a notice specifying the time and place for such hearing. At the hearing, the Board shall take such evidence and hear such testimony as it deems necessary or desirable.

(b) After taking such evidence and hearing such testimony, the Board, either at the hearing or at a later time, shall determine, in writing, and at its sole option, to (i) waive the default in whole or in part; (ii) extend the time within which the default shall be cured; or (iii) proceed immediately to levy a fine or penalty or exercise any other remedy described herein. The Board shall send a copy of its determination to the defaulting Owner. After the expiration of any additional time to cure the default, if such is granted, the Board may implement such fine, penalty, suspension of voting rights, or other remedy, and may take such other action as it deems necessary to obtain relief, and the Association shall be entitled to recover the costs and expenses of such action, including reasonable attorneys' fees; and all such fines, costs and expenses shall be enforced as an assessment lien against the defaulting Owner's Lot.

ARTICLE XIX: GENERAL PROVISIONS

Section 1. Enforcement. The Association, Declarant, or any Owner shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by this Declaration. Failure to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall not affect any other provisions, which shall remain in full force and effect.

Section 3. Document availability. The Association shall have current copies of the Declarations, By-Laws, and other rules concerning the project as well as its own books, records, and financial statements available for inspection by Lot Owners or by holders, insurers and guarantors of first mortgages that are secured by Lots and improvements within the development. These documents shall be available during normal business hours and under other reasonable circumstances. There shall be an annual audited statement prepared each year with copies made available to the Lot Owners, and any holder, insurer or guarantor of any first mortgage that is secured by a Lot within the development.

Section 4. Condemnation, Destruction, or Liquidation. The Association will be deemed to represent the owners in any losses or proceeds from condemnation, destruction or liquidation of all or a part of the Common Areas and shall have the authority to negotiate, settle, and otherwise make agreements on behalf of all Lot Owners and their mortgage holders. Any and all funds shall be distributed to each of the Lot Owners in equal shares. However, all first mortgage holders shall be given (10) days notice prior to any disbursements to the Lot Owners.

Section 5. Limitation of Ability to Sell and Lease. No Lot Owner's right to sell, convey, transfer or mortgage his Lot shall be restricted.

Section 6. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive period of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety (90%) percent of the Lot owners, and thereafter by an instrument signed by not less than seventy-five (75%) percent of the Lot owners. Any amendment must be recorded.

ARTICLE XX: STORMWATER RUNOFF

Section 1. The following covenants are intended to insure ongoing compliance with State Stormwater Management Permit No.SW8 120813, as issued by the Division of Water Quality under NCAC 2H.1000.

Section 2. The State of North Carolina is made a beneficiary of these covenants to the extent necessary to maintain compliance with the stormwater management permit.

Section 3. These covenants are to run with the land and shall be binding upon all Owners and all persons and parties claiming under them.

Section 4. The covenants pertaining to stormwater may not be altered or rescinded without the express written consent of the State of North Carolina, Division of Water Quality.
